SECURITY TRAINING FOR THE HOTEL STAFF

This is a comprehensive interactive Computer Based Training (CBT) program aimed to train the hotel staff on the principles and practical aspects of the duties of first responders.

The trainee will gain understanding of emergency procedures when first arriving at an incident.

Training will provide qualified first responders the tools and knowledge to conduct primary procedures in any security and safety emergency event.

The learning modules include interactive courses throughout and an exam that may be used as part of the company's internal certification

Length: 45 min
